

**REMARKS/ARGUMENTS**

Claims 1-27 are currently pending. Claims 1, 5-7, and 16 are amended herein. Applicant thanks the Examiner for pointing out the typographical errors in independent claims 1 and 16, and Applicant's amendments have corrected these errors. There being no additional rejections or objections, Applicant respectfully requests that the rejections under 35 U.S.C. §112 be withdrawn and the issuance of a Notice of Allowance.

**CONCLUSION**

Having responded to all objections and rejections set forth in the outstanding Office Action, it is submitted that the currently pending claims are in condition for allowance and Notice to that effect is respectfully solicited. Additional characteristics or arguments may exist that distinguish the claims over the prior art cited by the Examiner, and Applicants respectfully preserve their right to present these in the future, should they be necessary. In the event that the Examiner is of the opinion that a brief telephone or personal interview will facilitate allowance of one or more of the above claims, he is courteously requested to contact applicant's undersigned representative.

**AUTHORIZATION**

The Commissioner is authorized to charge any additional fees associated with this filing, and credit any overpayment, to Deposit Account No. 19-3790. If an extension of time is required, this should be considered a petition therefor. If the fees associated with a Request for Continued Examination are filed herewith, this should be considered a petition therefor.

Respectfully submitted,

/ James E. Goepel /
